COMMANDERS REPORT

Bob Reahl

I'd like to thank all the Legion family that attended the Michael Amonte Salute to WWII Veterans, at the North Fork Theater on Dec the 10th. The show was dedicated to his father who was a P-38 pilot and flew 91 combat missions' and to the many other WWII veterans.

As Nassau County Commander I had the honor along with my Staff and the Nassau County American Legion Color Guard to be part of this dedication to all WWII veterans.

There were over a 1000 veterans in attendance and there were 25 Legion WWII veterans honored on stage with us as Michael Amonte sang the songs of all the Military Branches of Services and God Bless America, there was not a dry eye in the theater.

We can all thank John Radin, Sr. our First Division Commander for setting this up. Plus for every ticket John sold we got a \$5.00 donation back to be put in the Rehab Fund to help our veterans. All WWII veterans attended free.

Michael Amonte Show for Veterans L-R Commander Bob Reahl, His wife Muriel, Ned Johnson, Michael Amonte, Betty and Bill Harms and son and Bob Robesch.

First Division Report

John Radin, Commander

As of this report, I have visited all but two Posts of those that are visitable. During the month of January, my first complete time around the circuit will be completed and our Second Division meeting will be held at the Rockville Centre Post #303, 197 Maple Avenue Rockville Centre, on Wednesday, January 10th 2007 at 8pm. It is of great importance that we have representation from every post in our division to go over the first half of our legion year and our thoughts for the second half. Please don't disregard this meeting because what you bring to the table is part of what you can gain in objective goals. We have many projects currently on the table i.e. membership, rehabilitation, youth programs, packages for overseas, Hofstra library, boy scouts, school essays and so many other programs.

I was proud to help bring some of the veterans to a "Salute to the WWII Veterans" at the North Fork Theater in Westbury starring the renowned singer Michael Amonte. He not only put on a great show, but he treated our commander and his color guard with dignity and hospitality. During the time set aside to rever the Vets and pay tribute to them, I doubt if one could find a dry eye in the theater. In addition to all of this, Mr. Michael Amonte, donated to the Nassau County American Legion Rehabilitation Program which covers our Northport program, \$500.00 and on my behalf \$150.00 to my Post 972, Victor Murtha.

2nd DIVISION REPORT

Frank Colon, Commander

I would like to thank the Franklin Square and Elmont Posts for allowing me to attend at their meeting. We discussed the mission of the American Legion, including topics as membership, retention and the Blue Star Banner programs that bring in new members and younger veterans to each post and town. I will be visiting other posts in the division during the month of January 2007. Also, a reminder that the meeting for the division will be on January 24th, 2007 at 8PM at North Bellmore Post 1749 located at 1298 Newbridge Road, North Bellmore (exit 25S off the Southern State Parkway). We will discuss ways in making our mission achievable by working smarter, not harder. Merry Christmas and Happy New Year from me, my staff and my wife, Mary.

Third Division Report
Commander Howard Liebman

Membership has greatly improved, but we still have a lot more to go. Also we are now at the beginning of the dues increase.

Remember that our next Third Division meeting will be on January 22, 2007 at Plainview Post #18.12. at 8:00 PM. It is important that all posts are represented at this meeting.

Boy Scout Report
Edward Scholander, Chairman

The deadline for nominations for Scout of the Year, Scout Leader of the year, Girl Scout of the year, Girl Scout Leader of the year was December 15, 2006.

I received Six nominations fro Scout of the year and Two for Scout Leader Of the year. I have been greatly discouraged to have received NO nominations for Girl Scout or Girl Scout Leader of the year.

Nomination forms were available at Boy Scout Round Tables and on the Theodore Roosevelt Council's web site. The Girl Scout Council thought it was A Great idea and information was to be disseminated via their E-mail chains.

The selection committee consisting of four active American Legion members Who are also active Scouters and myself will meet January 10, 2007 to select The Award winners.

The Awards will be presented at 1 PM on February 4, 2007 at Post 1282 in Merrick. Respectfully submitted

NYS Focuses on Depleted Uranium

The Depleted Uranium Bill was signed into law by Governor Pataki on November 17, 2006. While no state monies will be spent on treatment or tests, the bill does require the State Adjutant General to conduct a study of the effects of depleted uranium exposure on members of the New York Army National Guard and New York Air National Guard. The new law requires the State Division of Veterans Affairs to assist veterans and members of the guard to get the medical care they deserve from the VA Medical Centers.

The law creates a task force of veterans and medical professionals to conduct a scientific conference to study the health affects on veterans since depleted uranium was used to harden some ammunition since August 2, 1990.

Forcing the public and the U.S. Department of Veterans Affairs to pay attention to the hazards of depleted uranium and the health affects on service people exposed may be the real consequence of this law.

SUPPORT FOR TROOPS ON ACTIVE DUTY
REGINALD BUTT, JR. PCC

I have been in contact with the Commanding Officer of the 310th MP BN out of Uniondale. I sent several package and still have about 8 to 10 packages to go. If any post would like to send packages or letters the address is as follows:

Lt.Col Joseph Leary
310th MP BN
Unit 60534
APO AE 09375-0534

The local unit coordinator is Ed Johnson (516) 481-3247 Ext 113.

All packages must be addressed to an individual and a customs form must be filled out and accompany the package.

All the Marines from Stewart Ave. have returned. I talked with the First Sergeant and as far as he knows no one is scheduled to deploy.

I have received donations from several posts and a member of the Carle Place Post has donated \$220 dollars for shipping and to be used as need. Carle place Post has donated several boxes of items to be shipped.

The Williston Post has donated items and money and one lawyer through the Williston Post has donated \$100.

The Bellerose Homemakers have donated items and \$5 in cash in support of the troops.

A second grade class from Theodore Roosevelt School in Oyster Bay wrote out about 150 Christmas cards and signed them. These cards along with others that were forwarded to Iraq so the troops had cards to send home were donated by Dodds & Eder of Oyster Bay.

SOLDIERS FOR SOLDIERS CELL PROGRAM
REGINALD BUTT, JR. PCC

Please bring the cell phones and the ink cartridges to the County meeting to give them to me. Please bring only the cell phone with its battery, no other adapter (E.I., earplug, charger, ETC). Put the ink jet cartridges in plastic sealable bags.

I have not shipped since September so I have approximate 500 phones and 200 ink jet cartridges to ship out. Remember the National Headquarters gets \$3 per phone and \$1 per ink jet cartridge, the county gets credit for what we ship. The money is divided between 3 funds, NEF, Legacy Memorial Scholarship and the Children's Miracle Network.

BOYS STATE PROGRAM
REGINALD BUTT, JR. PCC

The bus contracts have been place with Classic Coach. The cost went up \$50 each way this year, \$1325 each way. I will bring back information on the Boys State Program after the Mid-Winter Conference. Start lining up boys and talk with the school counselors. Chaminade High School will have boys and I will talk with Brother Lawrence. If you can not get a boy or two from your schools, contact me and I will arrange with Brother Lawrence for candidates. I hope to obtain the same quota as last year, 40 boys. So recruit a primary and 1 or alternates.

REHAB REPORT
Frank Colon, Chairman

I was really happy with the turn out we had at Northport VA Hospital on December 9th There was over \$2,500 in donations, clothing and toiletries. We had over 40 Legionnaires, Ladies Auxiliary and Sons of the American Legion members in attendance. Stu McKenny played Santa Claus, which really brought out the smiles on the faces of the Northport vets. We had a great start thanks to the Merrick Post leading us in Christmas carols, conducted by PCC Tom Riordan. Team 4 did an outstanding job!

Special thanks to the Seaford Post who held a 'Mini Rehab' party at their own post on December 2nd, due to a conflict of dates with their own children's party on December 9th. The post had over 50 vets from the Northport VA and Stonybrook Hospitals in attendance. Thanks to Post Commander Bill Harms and all of its members for a job well done!

Team 5 is due up for January 13th at 2PM. If you cannot make this date, please let me or Stu McKenny know. Our Rehab program is only as good as the participation of each post who can spend a little time with those in need. Also, please remember to keep bringing clothing and toiletries to the county meeting or to Northport.

American Legion Happenings
by Robert Tom Riordan, PCC

Our Christmas/Holiday Cards Drive to send to our troops overseas has been a great success, due to the generous support of the people of Merrick. The cards were signed by students of the Merrick and North Merrick Schools, Sacred Heart School, Merrick Avenue Middle School and members of the Key Club of Calhoun High School, and we thank them and their teachers for this wonderful task.

On two occasions hundreds of cards and DVDs were shipped to the 310th Battalion U.S. Army that are based out of Uniondale and are stationed in Iraq. We wish to especially say thanks to the Community Presbyterian Church, for their gift of cards and for Fran, Guccico's gift of 750 cards, which were given to the service people at the Mitchell Manor Housing Unit at East Meadow.

The early part of this month, the post members made their annual trip to our buddies at the Northport VA Nursing Home. Led by our outstanding piano player, Booker Gibson, we sang holiday songs for our buddies. We then had a day at the races for them, and they all were winners at one time or another. Santa Claus made a visit and gave gifts to them all. Post members who took part that day were Post Commander J. Murphy," B. Byrne, W. Ellensohn. J. Ambrosino, L. Tucker, B. Hoffman, R.T. Riordan and J. Toon; also with us was Betty Tucker.

We also wish to thank' the Rosary: Society of Sacred Heart for 'their' donation of toiletries and funds for the purchase of phone cards for our overseas troops: Get well cards to cheer up our seriously injured, soldiers and, 'Marines recovering may be sent to : (on the bottom of (he' envelope write ""For Any Servicemember") Walter Reed, Army Medical Center, 6900 Georgia Avenue,, Washington DC 203307': Brooke Army Medical Center c/o Maj. THANK YOU NOTE RECEIVED FROM ST. JUDE'S RANCH FOR CHILDREN

We wish to thank you for your kind donation of card fronts to St. Jude's Ranch for children. Recycled Cards, assembled by our children and staff , are an important part of our "learn to earn program". The proceeds from these cards provide savings, spending money and recreation funds for the children of St. Jude's Ranch.

We have group foster homes, residential care facilities and emergency shelters in Nevada & Texas. Thank you Again !

The department has published the membership report as of December 18th, The county is at 82.48%. We are exceeding our department goal, which is good. However, we are behind as a county on our historical performance. At this juncture of the year we should be at 90%, especially in a year where the dues are going to increase. VETERANS NEWS, By Edward G. Aulman , Service Officer

National Guard Birthday

December 13, 2006 is the 370th anniversary of the National Guard. The New York National Guard started as a Colonial Militia but since 9/11 has become an indistinguishable part of the U.S. Army in Iraq, first responders in natural disasters, and guardians of our critical infra structure like airports and train stations.

Memorial Day Flags

One hundred and thirty veterans organizations in Nassau County are eligible for free American Flags to mark veterans' graves on Memorial Day weekend. County Executive Thomas R. Suozzi said, "It is fitting and proper that we show our appreciation for their service by this simple gesture." National cemeteries have for years provided these flags for volunteers to place at the graves but the federal government has cut back on this program. Veterans' organizations who would like to flag the graves of veterans at private or national cemeteries should send a letter to Edward G. Aulman, c/o Nassau County Veterans Service Agency, 1425 Old Country Road, Building H, Plainview, NY 11803. Letters with the number of flags requested must be received by April 1, 2007.

Candlelight Evenings at Old Bethpage Village

How about a really old fashion Christmas? From 5 to 9:30 PM Saturday and Sunday, December 16 and 17; and Tuesday through Saturday, December 26-30, Old Bethpage Village Restoration will be featuring a 19th century Christmas. Magic Lantern Shows, 19th century music, a Holiday Brass Quartet, traditional dances, story telling and fiddle music will fill the air in the candle-lit, restored buildings. Call the Village at 516-572-0396 for more information.

VA Home Loan Expanded

Last week the House and Senate passed legislation that permits veterans to use the VA Home Loan to purchase a co-op. The new law contains language originally introduced by Senator Schumer and Rep. Carolyn Maloney. Under the old law the VA Home loan could only be used to buy a house, townhouse, condominium, or mobile home but not a co-op.

Attorneys for Veterans

The House and Senate have passed legislation (S 3421) that will permit lawyers, for a fee, to assist veterans appealing unfavorable decisions by the VA Regional Offices. The law should go into effect in about six month, but the Secretary of Veterans Affairs must prescribe in regulations what level of experience or training is necessary before a lawyer represents veterans. Under the new law, a lawyer can collect 20% of retroactive payments from the veteran, and a lawyer may assist the veteran for a fee only after a VA Regional Office has denied a claim. A veteran can request the assistance of a County Veterans Service Officer, State Division of Veterans Affairs Counselor or service organization service officer in opening or developing a claim at no charge to the veteran.

Stolen Valor Act

December 6, 2006 the House passed a Senate approved bill that sets fines and jail sentences for persons who verbally or in writing claim to have received awards authorized for members of the armed forces. The bill is not just for medals the legislation includes badges, ribbons, buttons and rosettes. The fines of \$5,000 or jail terms of six months can be doubled for fraudulent claims for awards for combat valor such as services' crosses, the Silver Star, and the Medal of Honor. (Marine Corps Times, 18 December 2006)

Individual Unemployability Under Fire

Veterans not rated 100% for their disabilities can still receive the financial benefit of a 100% rating (\$2,471 per month) if they can establish that their service connected disability makes them unemployable. Under current rules a veteran must be at least 70% service connected for multiple conditions and have at least one condition at 40% or be 60% service connected for a single condition. The Government Accounting Office has identified this VA program as high risk and in need of modernization in part because, "it is poorly positioned to provide meaningful and timely support to help veterans with disabilities return to work." The GAO found that almost half of those being awarded Individual Unemployability (IU) benefits were over age 60 and 19% were age 75 or older. (NACVSO News, Nov-Dec 2006)

Thank You

Veterans in Nassau County are fortunate to have the support of many groups and individuals. The local American Red Cross volunteers and the Telephone Pioneers, and the Elks are some of the groups that continue to help our veterans. The following veterans donate time every week to drive disabled veterans to appointments at the VA medical Center in Northport and the Plainview Clinic: Norman Weiss of East Meadow (he is also a CERT volunteer), Carl Vitale a retired printer from Melville, Benjamin Kreling from Wantagh, and Timothy Foley from Floral Park and Tom Fierro of Syosset.
