COMMANDERS REPORT

1st Division

THE MID-WINTER CONFERENCE HELD BY DEPARTMENT WAS VERY INFORMATIVE ON ALL LEVELS, PROGRAMS AND POLICIES.

WE ENJOYED OUR HOSPITALITY ROOM WITH SUFFOLK COUNTY. ALL WHO ATTENDED HAD A GREAT TIME

ON FEBRUARY 6TH WE WILL BE HOLDING OUR FOUR CHAPLAINS CEREMONY AT THE BELLMORE PRESBYTERIAN CHURCH IN BELLMORE. ALL ARE WELCOME TO ATTEND.

FOR THE NEXT TWO MONTHS ARE LAW AND ORDER MONTHS. PLEASE IF YOU HOLD A LAW & ORDER NIGHT LET THE COUNTY CHAIRMAN RON SABO AND ME KNOW OF THE TIME AND PLACE OF YOUR AWARDS.

OUR MEMBERSHIP HAS MET ITS GOALS SO FAR, HOWEVER MANY POSTS NEED SOME WORK TO ACIEVE 100%. IN THE PAST FEW YEARS POST'S HAD LESS THAN TEN (10) MEMBERS TO RENEW BUT FELL SHORT.

YOUR DIVISION COMMANDER WILL BE CONTACTING YOU.

PLEASE BE SAFE IN THE SNOW AND WATCH YOUR STEP ON THE ICE !

I WISH TO THANK COUNCILWOMAN ANGIE CULLEN AND THE FREEPORT SCHOOLS FOR THE DONATION OF BOXES OF VALENTINES MADE BY THE CHILDREN FOR OUR TROOPS OVERSEAS. THEY WILL BE SHIPPED OUT BY REGGIE BUTT IN TIME FOR VALENTINES DAY.

Happy New Year to one and all. Hope you all finished digging out from the blizzard of 2010, I don't know about you by I still have a 2½ foot high snow/ice ridge in front of the house and the first storm of 2011 is getting ready to drop a whole bunch more.

Division Membership Officer Art Swanson, PDistC, and I visited the Oceanside Post, they had a lively meeting followed by some delicious pizza and comradarie, thank you Commander Dan Danyluk for the invite and hospitality.

I was privileged to attend the Baldwin Post Installation, my sincere thanks to Commander Richie Meyer for the invite and best wishes to him and all the newly installed officers.

On a sad note, I attended the wake of Commander Paavo Nurmi of the J. Franklin Bell Post #81 (Inwood), he did an outstanding job keeping the Post running and had succeeded in getting his Post to 94% membership.

Membership is the life blood of the American Legion, we need to step up our efforts to renew our current members for this year, the Division is in 3rd Place. We also need to ask people to join, if you see someone wearing a hat or jacket that indicates they were or are in the service just ask them 2 questions – Are you a veteran? (if the answer is Yes then ask) Do you belong to the American Legion? (if the answer is No, ask them to join), it's that simple.

Speaking of membership there will be a 1st Division meeting on January 18, 2011, 7:30pm at the Malverne Post, the major topic will be MEMBERSHIP, please have your Post represented, if possible your Membership Officer also.

Commanders: Last call, you all. Now is the time for all Commanders to come to the aid of their Posts. February is your last full month to select and honor a member of your Post as "Post Legionnaire of the Year" and enter your selection in the County level Program. March 1st. is the County deadline for nominations. If you haven't done it by now, you have almost run out the clock. BUT... It's still not too late. So, this snowy weekend, take the time to do your job. Have your Post make the selection at this months Post meeting and then formally write up the resume and cover form. Follow the strict guidelines and send it to me before the deadline. (Additional copies are available here tonight)

You owe it to your Post to nominate your member who is always there for the good of the Legion and your Post.

Honor and recognize that special Legionnaire. You'll be glad you did. This Program is a great way to inspire and motivate others to get involved in you Post activities. Any questions give me a call or better yet email me at docjoepc@yahoo.com.

Membership Officer's Report

Angelo Grande

Congratulations!

Nassau County has reached its 85% membership goal. Let's try to reach 90% by February 15th and our 100% goal by the end of May. We can do it, yes we can. Our membership team is ready and willing to help any Post reach its goal. When going gets tough, the tough get going. *Let's get going!*

A quote from W. Michael Bowen, Department Membership Chairperson: "Continue to contact your delinquent members by phone or a personal contact. All you have to do is "JUST ASK" them to renew or try to recruit new members to join our great organization".

A message from your Department Membership Task Force: Membership is the key ingredient in keeping a post, county or district a successful and viable organization. Your dedication to these duties and responsibilities will ensure a successful year for the American Legion. The legacy that you leave to the future generation of veterans, start with you!

A True Success Story

Nick Yaworski, Membership Officer - Elmont Post #1033

The Elmont Post started with a 2011 goal of 202 members and 17 PUFLS. They now have 248 members, which amounts to 122.77%. They made 100% membership by 11/5/10. Nick recruited 32 new members and reinstated 12 members. His Post's goal is getting 300 members, which they had in 2003. He will continue to recruit, retain and reinstate members as long as he is his Post Membership Chairman. Please note that the above figures may be higher but some of the transmittals may still be in transit. The figures listed are based on the 1-19-11 Membership Report. Nick was recognized for his outstanding membership accomplishments at the American Legion Conference at the Desmond Hotel in Albany. He was entered into a raffle and won \$100 which he intends to donate to Children and Youth. His name will also be entered into another contest and may win a trip to the National Convention in Minneapolis. *We are proud of Nick.*

VALENTINES FOR VETS

COUNCILWOMAN ANGIE CULLIN FROM THE HEMPSTEAD TOWN BOARD AND FRANK COLON, NASSAU COUNTY COMMANDER POSE WITH A CLASS OF STUDENTS FROM FREEPORT WIT SOME OF THE THOUSANDS OF VALENTINES THEY PREPARED FOR OUR TROOPS OVERSEAS.

CHILDREN AND YOUTH

FRED NIELSEN – CHAIRMAN

At December's County Meeting I reported that in January we would begin our outreach and early planning for the Children and Youth Dinner at the Glen Cove Boys and Girls Club. We have indeed made that outreach and are working with the Board Members to set a date in the next 2 weeks to sit down for our Planning Meeting for our Children and Youth Activity this spring. I will report the results of that meeting in February.

Americanism Report

Always it will be with the Americanism Report that the Dragon Boat Project will be reported. But first.

During January, Past 10th District Commander, Willibe Wilson and I met with Americanism chairman, Louise McCann in whose absence and on whose behalf I report this evening. On the table were the "bones" of a new initiative, a new way for us to relate to the Boy Scouts of Nassau County, instilling, sharing, and empowering 100% Americanism. At the Chairman's direction, Willibe Wilson and I met with Scout Executive David Richardson. When we described the Americanism-Scouting Coalition as a means for the American Legion and the Scout Executive at the County level to build an action agenda together that maximizes Legion's opportunities to nurture in our Scouts the Americanism for which they are so eager through joint Americanism projects. As well the Americanism-Scouting Coalition affords the Scout Executive a systematic, proactive means to identify his priority needs with which the Legion can lend assistance. David Richardson enthusiastically agreed to work with us to create the best Mutual benefit from the Americanism –Scouting Coalition and immediately sent the matter to his Executive Committee for action. We met shortly thereafter with Scouting Chairman, Past County Commander, Charles Mills. The Scouting Chairman was generous in his counsel and encouragement and gave the Americanism Scouting Coalition his blessing.

The American Legion Dragon Boat Project:

The Dragon Boat Project Committee activity for January: Our Sponsorship Request Verification Process has been successfully tested and is fully operational. When you submit your paid Cube Sponsorship Request, you will receive a Verification Email within 7 days. When you have confirmed the information we have on record as correct, your Evan Lui "Thank Vets First" Cube will be folded by the Scouts.

Our Team Recruitment is ongoing through the networking efforts of CEO of VetsFirst, Paul Tobin. Currently we are working with the Glen Cove Mayor's Office and our Coaching Staff to select the best waters in the area for Team workouts.

The County Commander has approved that next month at our County Meeting, 2 time National Women's champions, Women in Canoe, Will be our Speakers. I will request that Paul Tobin speak with us in March about this special collaboration between the American Legion and VetsFirst to benefit our Disabled Vets.

On February 6 Joe Slattery, President of the UVO has invited Dragon Boat Spokesperson Reggie Butt to address the Organization so that this can truly be a project common to us all in which every Veteran Organization participates.

If you have not as yet sponsored a "Thank Vets First" Cube please do so By going to our county Web Site where Ken Cadieux has put up the Cube sponsorship Registration Form so you print it off, fill it out and send it in to the Address he has on the Form.

Remember EVERY VET SHOULD SPONSOR A CUBE FOR DISBALED VETS.

BOYS STATE PROGRAM

REGINALD BUTT, JR. PCC

There are changes to the packets and application form and I will cover this with you when I give you the packets. Boys state runs 26 June thru 1 July.

SUPPORT FOR TROOPS ON ACTIVE DUTY

REGINALD BUTT, JR. PCC

There was only 1 package shipped in January 2011. I will be sending out packages during the first two weeks of February. If you have Valentine Day card from the schools get them to me as soon as possible. The shipping takes 7 to 10 days and I will need time to package them. I will contact the individual at Camp Drum to adopt a troop as they have another 3,500 troops departing for Afghanistan in late in early March. If any post would like to adopt a troop please contact Mike Plum via e-mail at PLUMMIKE@aol.com.

Adopting a Platoon

In November of 2010 Cathedral Post 1087, Commander Ed. Giacin suggested we adopt a platoon from a letter posted in the County Newsletter.

Mike Guerriero, 2nd Vice was fortunate enough to make contact through Email with a platoon from a National Guard outfit stationed in the area of Watertown NY.

A gentleman named Mike Plum put us in contact with the CO of a platoon that would be leaving for a tour of duty in about 3 weeks. I contacted Captain John Wlasniewski to keeping in contact with his platoon when they arrived at their destination.

In December Capt. John contacted me by Email and told me they were Bravo Co 3-10 part of a Air Support group.

They were transporting supplies and troops running 8 to 12 hour shifts. I told him our intentions were to send his troops lots of various items such as hard candy, cookies, toiletries, magazines etc.

To date, through the generosity of Legion, Auxiliary members and friends, we have sent 14 boxes of goodies which Capt. John has gratefully acknowledged and thanked us on behalf of his troops. He has sent us pictures of some of his men and women and also a picture that includes his platoon and other support troops that make up their company.

We will continue to support them for as long as their tour of duty exists.

Respectfully submitted,
Michael Guerriero

Stolen Valor.

The American Legion has joined federal prosecutors in arguing that a federal court in Denver should uphold a law making it illegal to lie about being a military hero. The veterans group filed a friend-of-the-court brief with the 10th U.S. Circuit Court of Appeals. Prosecutors are asking the appeals court to overturn a lower court ruling that the Stolen Valor Act violates free speech. The law makes it a crime punishable by up to a year in jail to falsely claim to have received a medal from the U.S. military. A federal appeals court in California has also ruled the law is unconstitutional. Prosecutors there have asked the court to reconsider. Neither the Colorado nor California appeals court has said when it might rule.

John Hassett, 1st Division Commander, Joe Reale, Adj and Tresurer Andy Booth at the Mid-Witer Conference.

John Hassett, Frank Colon and Angelo Grande.

VA Homeless Vets Update 19:

A homeless-prevention program by the Department of Veterans Affairs (VA), which seeks to help Veterans and families who are on the verge of becoming homeless, has moved 25 closer to implementation. The program marks the first time that VA will fund services for the spouses and children of Veterans at risk of becoming homeless. "The problems that lead to homelessness begin long before Veterans and their families are on the streets," said Secretary of Veterans Affairs Eric K. Shinseki. "By putting more resources into intervention programs for people at risk of becoming homeless, we can reduce suffering and increase the opportunities for turning around these lives." Shinseki's comments came as VA formally announced that it is taking applications from private non-profit organizations and consumer cooperatives interested in providing needed services to at-risk Veterans and their families.

With funding from VA for the program, called Supportive Services for Veterans Families, community organizations will be better able to provide counseling, training, education assistance, direct time-limited financial assistance, transportation, child care, rent, utilities, and other services to participating Veterans and family members. In January, VA is sponsoring free grant-writing workshops for community organizations interested in applying for funds under this program. The workshops will be held in Chicago, Los Angeles, Seattle, Houston and New York City. When the "Notice of Funds Availability" applications are available, they will be posted on the VA Web site at www1.va.gov/homeless/ssvf.asp. Details about the workshops and other information about the program are available on the Internet at www1.va.gov/homeless. Community organizations can also contact VA at 1-877-737-0111 or at SSVF@va.gov. [Source: VA News Release 16 Dec 2010 ++]

Statistics

There were 1.8 million living women veterans in 2008. In 2008 453,250 women veterans enrolled in the VA health-care system for care. The number of women veterans enrolled in the system is expected to grow by 33 percent in the next three years. Over 102,126 female veterans served in OEF/OIF as of September 2008. Of those, 44.2 percent have enrolled in the VA health-care system. Post-traumatic stress disorder, hypertension, and depression were the top three diagnostic categories for women veterans treated by VA health care. Twenty-two percent of women screened positive for military sexual trauma, compared to 1.2 percent of men. Of all the OEF/OIF veterans who used VA health care in 2007, 16.7 percent of women and .8 percent of men screened positive for MST.
