COMMANDERS REPORT

TO ALL POSTS

The date is set, the time is set, the place is set, all we need is for all of you to be set,

What am I talking about?

The remains of our falling hero's, we have talked about over the last two years.

The date is Saturday 19 May 2012

The time is 9:am

The place is the Long Island National Cemetery in Farmingdale

All we are asking at this time is to let us know if you will be attending with your post and will you be bringing your post colors?

The funeral homes from both county's will be meeting at exit 49 of the long island expressway. They must leave there by 8:15 a.m. to be on time at the cemetery.

For all who plan to go straight to the cemetery, please listen to the staff at the cemetery as parking is not the best.

Completing this task will not come easy as things will change from time to time. When all is said and done all will be notified. Our main goal is to make sure that the Veterans who will be interred will be with the highest of honor.

Next week the funeral homes will put the names of the decease veterans in the newspapers in hope that if there are any family members that may not know. All are hoping that all family will not be over looked. Soon as everything comes together every one will be notified

If any one needs any info please call me. Do not trust any info that you see on the inter net. As no one is speaking for any one.

Andy Booth, Commander

CHILDREN and YOUTH REPORT

This year's Party for the children of SCO family of service of Sea Cliff, New York was held at St. Patrick R. C. Church on Saturday, April 21, 2012.

This is a very special day for the children of SCO. All bus outings and all other programs were canceled, allowing us the opportunity to give a little joy and happiness to the Children of SCO.

The menu was a hot buffet with plenty of food, ice cream, cake, and soda for dessert and a DJ for there dancing pleasure. There were about one hundred and twenty five people including staff Legionnaires and Auxiliary members.

We thank Mary Sterger, County President and all members of the Auxiliary for supplying the Desserts. We also thank County Commander Andy Booth and all other Legionnaires and Auxiliary members for being there, the outstanding job that they did, contributed highly to the success of the program.

All of the above could not have taken place without the support of the Posts and Units that contributed funds. Special thanks to Deacon Michael Devenney, (Parish Business Manager) for allowing us the use of the facility.

At 'this time I would like to this opportunity to thank the Posts that contributed funds during the month of April and they are: Glen Cove Post 76, Glenwood Landing Post 336, Nassau Police Post 1050, and Floral Park 334. "I Thank You"

I also have about seven checks, made out to, the Children & Youth Committee or to that Guy by the name of Willibe Wilson. Now if I didn't call your Post, name, please see me after the meeting.

Consolidated Post Reporting

It is now time to fill out the Consolidated Post Report. I'm asking all Post Commanders and Post Children & Youth Chairmen to take the lead and see that their Post is COUNTED FOR!

Respectfully Submitted

Fred Nielsen and Willibe Wilson, Jr.
Children and Youth Co- Chairmen

Law & Order

April was a busy month. I finished up with the Law and Order programs at Charles Wagner Post 421 on April 20, 2012. I attended another program on April 22, 2012 which was at the Merrick Post 1282 and I closed out the month on April 23, 2012 at the Howard A. Van Wagner Post 962.

All the programs went very well and they were well attended. All the Posts ran a great program and in following an American Legion tradition. I would like to thank these Posts for their kind invitations.

One of the awards went to several Police Officers and Fireman for their outstanding performance which started out as a normal auto accident. A pickup truck struck a pole. As Fire Fighters arrived to give aid, the first Fireman was shot. The other Fire Fighters used the ambulance to protect him while giving him aid. As Police responded unaware of what was developing, shots again rang out. This could have gone horribly wrong, but with their professional training, the Police were able to apprehend the subject.

This is only one of the many stories on what our Police Officers, Fire Fighters and A.M.T.s, come in contact with. I strongly feel we should be doing more of these programs to, honor those men and women out there protecting our families.

For God and Country, Ron Sabo

"LEGISLATIVE REPORT"

REGINALD BUTT

1. I received the following News Release:

Mojave Cross Settlement Laued by Legion

(April 25, 2012) - A federal district court decision that ended a decade of legal battles over a cross that served as a World War I veterans' memorial in the Mojave Desert was praised today by the leader of he nation's largest veterans organization. "We are delighted that the court approved a land exchange that will finally enable the Mojave Cross to be restored as the monument to World War I veterans that was first erected on Sunrise Rock in 1934 by a World War I veteran, Riley Bembry," said Fang A. Wong, National Commander of the 2.4 million member American Legion.

A federal judge approved the lawsuit settlement Monday, permitting the U.s. Park Service to turn over a remote hilltop area known as Sunrise Rock to a Veteran of Foreign Wars post in Barstow, Calif, and a nearby Veterans home.

The park service will give up the acre of land in exchange for five acres of donated property elsewhere in he 1.6 million-acre preserve in Southern California.

The American Legion was involved from the beginning, filing friend-of-the-court briefs in support of the memorial, up to and including an appeal to the U.S. Supreme Court on April 2010. The Court refused to order removal of the cross and directed a federal judge to look again at the congressional transfer plan.

Once the land exchange is complete, the park service will fence the site, leaving entrances for visitors, and post signs noting that it is private land. A plaque will be placed on the rock noting that it is a memorial to U.S. War Veterans.

"We will continue to monitor he progress of this settlement closely until the land exchange anbd the Moja\ve Cross, which was stolen by vandals during litigation, is replaced, as a fitting tribute to our World War 1 Comrades,' Wang said.

2. Update on the Flag Amendment Bills: Senate Joint Resolution (S.J. Res) 19 as a total of 29 cosponsors. To date H.J.Res 13 the house companion to the Senate measure as accumulated 64 cosponsors. Contact your representatives and senators offices and ask them to cosponsor the flag amendment in their respective chambers. If they are already cosponsors, be sure to thank them for their support.

"HOMELAND SECURITY"

REGINALD BUTT, JR. PCC

Each day in read in the papers or hear on the different news media about terrorist acts. Most of these are home grown terrorists, which means we have to be alert and be observant. The Department of Homeland Security is telling everyone to be on the alert as the first anniversary of the captured and killing of Osama Ben Laden is this coming month. If you see something that looks out of place or individuals acting suspicious, report it. Remember, Terrorism has many formal definitions. In most it involves illegal activity, including use of force or violence directed against the civilian population. It is intended to coerce or intimidate a government or civilian populations or noncombatants in furtherance of terrorist political/social objectives. Terrorism can be domestic, international, state-sponsored or loosely affiliated.

The bottom line is **"ALWAYS BE ALERT AND IF YOU SEE SOMETHING, SAY SOMETHING"**.

BOYS STATE PROGRAM

REGINALD BUTT, JR. PCC

Legionnaire of the Year (LOTY)

Joseph P. Slattery, Jr., PCC, Chairman
docjoepc@yahoo.com

Our County Program will enhance and build on the Post Level and be the basis for the County Level Recognition Program during the annual County Convention in June 2012. You must be a past or present Post Level Honoree to be nominated for the County Level Honor.

Each Post Commander was asked to appoint a LOTY chairperson to write up their Post selected Honoree so they can be nominated (one per Post) for the County Level Program. With 54 Posts in Nassau County we will be able to elevate this important program to the level it needs to be. This year only 14 Posts had candidates in it.

This Recognition Program is a fitting way to honor and recognize our dedicated Legionnaires who work tirelessly and many behind the scenes to keep our Posts and County programs together. They work with our Veterans, Communities and Programs. The County Level Honoree will go onto the District Level Program.

The judges this year were asked to judge the 14 that were submitted. They went over each one and were able to make a selection. The selected Nassau County Legionnaire of the Year will be announced on Saturday of our County Convention in June. All past Post and County Legionnaire of the Year Honorees are asked to attend and be recognized before the public announcement of this years Honoree.

Start the new Legion year 2013 off by collecting and writing up your Post members contributions so your Post can make a selection during the month of JANUARY. The deadline for our County Program is March 1st, 2013.

Memorial Garden in L. I. National Cemetery
gets make over by Plainview Cub Scout Pack
423 as Earth Day Project, 2012

As an Earth Day Service Project for our Veterans,
Plainview Cub Scout Pack 423, Chartered to Plainview
American Legion Post 1812, did a complete make over
of the Memorial Garden by the pulling of weeds,
planting of new shrubs, the planting of flowers in the
entrance pots, the edging of all of the planting beds,
the removal of the stones, the picking up of the fallen
leaves, the cleaning up of the small memorial
monument in front of the garden and the spreading of
the new black mulch.

The Memorial Garden was designed by Master
Gardner Cheryl Anne Lombardi and built in 2005 with
funds donated to the Veterans, at no cost to the
Government.. Roseann Santore, LIN Cemetery Director
thanked and commended the Cub Scouts, parents and
leaders for taking on the Earth Day Project for our
Veterans. She presented each one with a beautiful
Certificate for their service and hard work.

The heavy rains that were predicted held off
long enough for the Scouts to complete the project. The
garden is now ready for our Unclaimed Remains Service
on May 19th and Memorial Day Service on May 27th.
