Commanders Report

On August 15th, I attended a book signing for the book, "Mother of Normandy". On August 18th I attended the Membership Zone Meeting of Districts 2 and 10. The new Department Commander Ken Governor was in attendance. A five year Membership Plan was presented by the new Department Membership Officer. On August 18th I also attended a wake service for the wife of Matt Falcone, who is the Commander of the Manhasset Post #304. On Tuesday August 19th, I attended a meeting of the Robert Spittel Post #125 to help them resolve a Zoning problem. Without this zoning change they may have to close down the Post. The Commander of the Post Bill Libertini also asked for a donation of chairs and tables, so they can have a fund raiser. On Tuesday August 20th I conducted an Installation for the Cathedral Post #1087. From August 22nd to August 29th, I attended the National Convention in Houston, Texas. Daniel M. Dillinger was elected National Commander. On September 8th, I Installed the Officers of the Malverne Post #44. I also conducted the Installation of the Officers for the Sons of the American Legion of the Malverne Post #44.

During the evening of September 9th, I conducted the Installation of Officers for the Charles Wagner Post #421. On September 10th I attended a memorial service on the boat Miss Freeport for all those who perished on 9/11, also in attendance were Past County Commander Joe Reale Sr., John Hassett and James Randle. On September 11th I attended a 3rd Division Meeting that was conducted by 3rd Division Commander Freddie Nielsen. On September 14th I attended a BBQ at the Baldwin Post to support Frank Neal who set up a Membership Table to recruit new members. On September 15th I attended the Installation of the Floral Park Post #334. Joe & Toni Reale were honored for their service to the Post. On September 16th I attended a meeting of the Korean War Veterans at the Levittown Post #1711. On Tuesday September 16th I was fortunate to be able to view the documentary, "Honor's Flight". This documentary illustrates flights that have been conducted to fly

World War II Veterans to the World War II Monument, as well as other military monuments in Washington, D.C. The program is sponsored by private donations. I will be distributing applications for the program at the County Meeting on September 27th. All World War II Veterans should take advantage of this program. On September 20th I Installed the Aviators' Post #743 at the Greenvale Diner. After the Installation, I visited the Veterans' BBQ at Eisenhower Park. On Sat, September 21st I attended a luncheon for 25 patients from the St. Albans facility. The event was held at the Rockville Centre Post #303, but the luncheon and day's activities were sponsored by the Island Park Post #1029. Post Commander, Joe Aniano and Rockville Centre Post Commander Joseph Scarola were in attendance. What a great day for the patients. Here are some of the comments: "God Bless you all for giving us a gift of happiness", "Thank you so much for all the love you showed us" and "Thank you so much for your time and generosity". I would encourage more Posts to invite some patients to their Post. This is what the American Legion is all about. On Monday, September 23rd I attended a meeting of the Nassau County Legislature. The new Coliseum was approved by the County Legislature and it will be called, The Nassau Veterans' Coliseum. I understand that there will be a Veterans Memorial in front of the building. Frank Colon, Jr., PCC has the full details. On Monday, September 23rd I conducted the Installation of the Howard Van Wagner Post #962. On Tuesday Sept 24th I conducted the Installation of the Glenwood Landing Post #336 and Wednesday, Sept 25th I conducted the Installation of the Manhasset Post #304.

Our Vet Dog Project is still on course. The Vet Dog Foundation has stated in writing that with a \$6,000 donation, we can sponsor a dog that will be given to a Vet. We can also give the dog a middle name. You can send your donations to: Bill Urianek, 335, Emory Road, Mineola, NY 11501 or drop off your donation at the County Meetings. Bill said that you can also bring your empty deposit bottles or cans to the County Meetings.

(Commanders Report cont)

Nassau County. I have recently made contact with Adam Grohman a returning Vet, who is studying at LIU Post College. He serves as the Coordinator of Veteran and Military Affairs at the college. He is interested in starting an American Legion Post at the college. I will be setting up a date with Adam, Frank Neal, our membership officer and Robert Robesch, PCC to see if we can establish a Legion Post at LIU Post College.

In an article in the Press Association Newsletter, it was stated that Andy Booth's Americanism program may be conducted throughout the State of New York.

Joe Glovac from the Plainview Post #1812 received honorable mention for his Post Newsletter at the Department Convention.

On Saturday September 26th, Past County Commander Andy Booth, Frank Neal, County Membership Officer and I attended a meeting in the Bronx at the office of the Chairman of the Veterans Affairs Committee, Assemblyman Michael Benedetto. Assemblywoman, Michelle Kimmel was also in attendance. We discussed a new Bill that was passed. It will exempt Posts on paying taxes for rentals at the Posts. The local towns and villages must approve the exemption. We also discussed pending legislation.

GOOD NEWS !

County Executive Ed Mangano met with the County Veterans Advisory Committee and stated for the record that the name "Nassau Veterans Memorial Coliseum" would remain when the new building is done.

We met with the Builders representatives and they re affirmed the name would be kept.

At the county Board of Supervisors meeting the builder opened his remarks for the record that the name will remain. The concept of the New Coliseum was passed by the Board of Supervisors without a desenting vote.

It will be two years before they even start the project, due to the existing contracts.

3rd Division Report Activities / Participation:

I am buoyed in my pride of being a Legionnaire with every Post Visitation, during which I get a privileged peek into the very heart of the American Legion. The long history of our Posts and their Members write a tableau of a deeply caring community both to one another and to others. Principle always is the rich and varied expression of love spoken in the language of SERVICE. We say to "Community, State, and Nation" We do it for ALL.

Wise Legionnaires have told me that there will also be Post Visitations that might not be quite that soulful. I believe their council and I am thankful to them for it. Even when I encounter a Ghost Post, the luster on the American Legion's badge of Honor, Service, and History will shine ever brightly. I'm coming to see you.

During October, 3rd Division Post Visitations will continue. If you have not had your Post's Visitation confirmed for October and believe you are scheduled, please contact 3rd Div. Adjutant, Willibe Wilson Jr. (676-1263).

FREDDIE NEILSEN, COMMANDER

1st Division

Good Evening My Fellow Legionaries,

Hello fall, this month's report will be short. Summer is gone and now it's time to get back to work. I attended the Floral Park post's installation, and I would like to thank the staff for inviting me to their special occasion. I have attend the Nassau County Salute to Veterans with Tony Orlando and the USO Liberty Bells, what a great time the County Staff had. I also participate in Malverne's installation, and I wish the new staff of officers a great year. Memebrship for the first division as of tonight is 61%, thank you for hitting this point,, please remind your members to get their renewals in as soon as possible so they don't get stuck paying the increase starting in January. I would like to have each post make sure that the required paperwork gets submit as soon as possible since the county directory is being held up since we are missing 3 posts. Also let's get personnel to attend the legislative breakfast that is coming up on October 6, 2013. Please see Reggie Butt the Committee Chairman for your tickets.

Joseph Brunner

1st Division Vice Commander

“LEGISLATIVE REPORT”

REGINALD BUTT

The Federal Legislatures have returned from their summer break, but Congresswoman Carolyn McCarthy is still on leave while she undergoes treatment for lung cancer.

The Legislative Breakfast is scheduled for October 6, 2013 at the Williston Post #144. Letters were sent out to all the Posts, Past County Commander and invited Guests. We will also invite the Federal Senators and Congressmen/woman, the State Senators and Assemblymen/women. The price is the same as last year \$20 and there will be a raffle of a basket of cheer and individual bottles. As of this date have sold or have reservation for only 65 tickets. We will have 11 guests of the County plus approx. 14 Legislators. The Posts and Legionnaires need to support the programs of the county especially when we are trying to legislate for Veterans benefits. It is embarrassing to ask Legislators to give up their free time to talk with the veterans and then not have the veterans show up.

CELL PHONE COLLECTION PROGRAM

REGINALD BUTT, JR. PCC

I am awaiting for the check for the 86 cellphones I shipped out last month. I have three boxes ready to ship with 175 cell phones, 1 laptop computer and 2 handheld GPS units, I will add and items that I pick up at the meeting. When I receive the check from the recycling center I will ask the Treasurer to split it between the NEF and the Legacy Memorial Scholarship.

I stated before the recycling program has expanded and it now includes these items:

- | | |
|-----------------------|------------------------|
| cell phones | cell phone accessories |
| iPods and MP3 Players | handheld game systems |
| GPS handheld units | laptop computers |
| E-readers | portable hard drives |

Keep collecting any of the above, bring them to the County meeting or if you have a large amount call me to arrange a drop off or pick up.

Military Ball/Cmdr.'s Night

Frank Colon Jr., Chairman

The date for the event is February 22, 2014, from 12 noon until 5 P.M., at Leonard's of Great Neck. Letters will be sent out soon. Let's all have a great time again this year.

Americanism:

For this Americanism Year, I am introducing the Commander's "Patriot Award", the County Americanism Award to be presented at the County Level. Post Commanders and Americanism Chairmen, I need your Contact Information. Please email me at brother2fredn47@hotmail.com or Div. Adjutant Willibe Wilson Jr., at wilpluspea@gmail.com.

A Department Of New York Red, White & Blue Award Nomination for Ms. Kaye Weninger has been submitted for her remarkable work bringing Teens and Adults into a keen appreciation of the service and sacrifice of those men of the "Greatest Generation" who changed history when they liberated Normandy by land, sea, and air. This is an important step in our establishment of the "Mme. Simone Renaud National Americanism Award" and having Ms. Weninger be its first Recipient.

On October 26 the American Legion Riders will take the lead in the Inaugural "Rollin For The Liberators" Bike Ride for Ms. Weninger's Operation Democracy whose first priority is "D" Day Remembrance. The Ride will have a contingent of Bikes escort the French Consul General from UN Plaza in Manhattan to Locust Valley while the largest number of Bikers will gather at Old Bethpage Village Restoration for the Ride into Locust Valley. There it will turn into a Bike Rally for the Public. The Children of the Fourth Generation since WWII will present gifts of gratitude to WWII Veteran, the Honorable Judge Suozzi and the French Consul General from the UN will speak about the resolve of the French People to "Never Forget" the courage and sacrifice made by their American Liberators.

Do you personally know of a Vet who is homeless? There are more than a thousand of them in our area. These are indeed tough times, but we cannot let this happen. Please contact Willibe or myself (emails above) if you know of any Vet without a place to live. Also be ready when we make the appeal for donations to help Homeless Vets. Gina Serreon, 1st Vice from our American Legion Auxiliary will be calling on us in the coming months to support her effort on behalf of our Homeless Vets.

Children & Youth:

Early dialogues are underway with key Community, Political, and Business Contacts for creating an operative link between our American Legion work for the Children of our Iraq and Afghanistan War Vets. Those of us who have raised Children in the very different world of Active Duty Military Service have a clearly focused appreciation for the impact of deployment on the military family unit especially its youngest members. In "Children & Youth" we are exploring ways and building the partnerships needed to help these Children meet their "Daddy's Home" or "Mommy's Back" challenges and joys. Among the initiatives already unfolding in this essential effort are those taken up by our American Legion Auxiliary (Yvonne Brunner's Project) for sending Active Duty and Reservist's Children to a very special Camp which is all about helping them understand and manage their deepest feelings about their Dad or their Mom's deployment into a War Zone.

WHAT A MAGNIFICENT PROJECT FOR US TO SUPPORT! Let's be ready when Yvonne calls on us.

Do you remember Willibe Wilson's "Blue & Gold" Dinner Dance to benefit the Variety Child Learning Center in Syosset? The numbers of Veteran's Children on the Autism Spectrum have increased apace of the general population. So we are exploring the possibility of bringing back Willibe's "Blue & Gold" Dinner Dance. Watch this space for more news on that topic.

MIA / POW CANDLELIGHT VIGIL

THE MIA/POW CANDLELIGHT VIGIL HELD AT EISENHOWER PARK WAS POORLY ATTENDED. THERE WERE ONLY ABOUT 75 PEOPLE THERE. IT IS VERY IMPORTANT THAT WE ATTEND THIS FUNCTION AS THERE IS TALK OF DOING AWAY WITH IT DUE TO LACK OF PARTICIPATION.

IT IS A SHORT SERVICE BUT AN IMPORTANT ONE. IF WE DON'T KEEP REMINDING THE POWERS THAT BE, BY VETERANS HOLDING THESE CEREMONIES EVERYWHERE WE WILL LOSE THE PRESSURE TO FIND OUR MIA'S AND ACCOUNT FOR OUR POW'S.

I.R.S.

THE IRS IS ADVISING US THAT WE MUST HAVE COPIES OF ALL MEMBERS DD-214'S OR DISCHARGE PAPERS ON FILE AT THE POST. FAILURE COULD RESULT IN FINES. IF YOUR POST IS ASKED BY THE IRS FOR THEM, CONTACT CHARLIE MILLS, DEPARTMENT JUDGE ADVOCATE AT 759-4300.

ALL DD-214'S KEPT AT THE POST MUST BE KEPT UNDER LOCK AND KEY DUE TO SENSITIVE INFORMATION ON THE FORM.

NATIONAL EMERGENCY FUND

The Hurricane season is well underway. Luckily, the east coast has been spared, so far. Just remember, we still have six or eight weeks before it ends. Then we can look for snow. While we have been enjoying beautiful weather, some of our western states have been suffering great disasters. The National Emergency Fund stands ready to help any legionnaire in distress. In the past year, from Sept 2012 through August 2013 the NEF has received 793 requests and has disbursed \$751,147 mostly to victims of super storm Sandy and the Oklahoma tornado. Currently, the fund is being used for the victims of the Colorado floods. Obviously, the fund needs constant replenishment.

National Commander Dellinger has taken on the NEF as his special project for this year. He has set a goal of \$1 Million. Last year, Nassau County presented a check in excess of \$4,000 at the department Convention. I am sure we can do even better this year. The letters should have reached every post, Past Commander and current officer. Please be as generous as possible.

I would like to thank the Plainview Post, Quentin Roosevelt Post, PCC Joe Reale and Historian James Randle for their generous Contributions.

Thank you for your continued generosity.

Bob Robesch, PCC, Chairman NEF

Rehab Report

Frank Colon Jr., PCC, Chairman, Mary Norris, Co-Chairman

Our 1st visit to Bldg. 92 visiting the Veterans at the Northport V.A. was a great start for this year. Team #1 did a great job, and we are looking forward to having Team #2 continue this trend. Our next visiting date is October 12, 2013, at 1 P.M. If you attend, a donation of \$50.00 is requested. However, if you are unable to attend, a \$100.00 donation would be appreciated. We are falling short of toothbrushes and small toothpastes. We would like to thank Post #1711 of Levittown for their extra donation of toiletries, donated for our program. Please check our website for a list of items needed. Go to your elementary schools and make it a Rehab Drive for our Veterans. Many Posts have seen great results from this program and the kids are happy-to help.

We are collecting items for the November Standdown. call me if you have a lot.
