COMMANDERS REPORT

Greetings Legionnaires. We saw a lot of activity in the last two months. The Four Chaplains service at the U.S. Merchant Marine Academy was great. Thanks to all who participated. I also attended a Four Chaplains Service at Baldwin Post # 246. Many of us attended the Nurses Training Ball held by The 40/8 and hosted by Malverne Post 44.. Speaking of Malverne Post they started off this years Law and Order Services. I also attended Manhasset Post # 304 's Law and Order Ceremonies. Each post has their own slant on these ceremonies and all are worthwhile.

Treasurer Frank Colon, and past county commanders Reggie Butt and Pete Holowecki and I attended the meetings and breakfast in Albany during the Hill Day weekend. Most of our Legislators were open to us, but all agreed there isn't much money available to anyone. The Caucus meetings for next years officers are upon us. I attended the 2nd division Caucus at Levittown Post # 1711 on Tuesday night. Last night (Thursday) I attended a joint meeting of several service organizations (VFW, American Legion, Marine Corps League, Vietnam War Veterans Assn., Veterans of the Vietnam War etc.) Their will be a replica of the Vietnam War Memorial on display on flag day weekend in Lynbrook. That will be the 35th anniversary of the last K.I.A. from that war. This is an expensive project and we have been asked to help out. Any Post or Individual who wishes to make a donation can do so by writing a check to the Western Long Island Detachment of the Marine Corps League P.O.Box 7 Lynbrook N.Y. 11563. There will be a parade of Color Guards on that Sunday afternoon. More info to Follow There are still a few seats for the National Commanders dinner on April 16th

Don't forget to submit your list of delegates to the Adjutant

I must conclude that I felt warmly accepted and highly motivated with all my meetings.

We had the 2nd Division Caucus meeting on Tuesday, March 23, 2010 at the Levittown Post. I like to thank all posts that attended. The next 2 Division caucus will be on March 30 and 31.

“HOMELAND SECURITY”

REGINALD BUTT, JR. PCC CHAIRMAN

Each Post in the County should have a chairman for Homeland Security and Civil Preparedness and that name should also be forwarded to County Chairman and Department Headquarters.

Homeland Security is not only about Terrorism, it covers disasters such as, floods, hurricanes, train derailments, fire, snowstorms etc. The posts and CERT personnel can be a tremendous help in times of emergency. The flooding and strong wind storms in march and the big snow storms in February are good example of this. The cornerstone of preparedness and prevention is AWARENESS for all hazards. The people in Fargo NDAK are pitching in and building sandbag dikes to keep the river out, they are all volunteers and have been well organized. This is a good example that it requires everyone's help. The skills, training and education that veterans have make your observations and involvement even more critical. Watch for suspicious activity...if you see something, say something.

Terrorism has many formal definitions. In most it involves illegal activity, including use of force or violence directed against the civilian population. It is intended to coerce or intimidate a government or civilian populations or noncombatants in furtherance of terrorist political/social objectives. Terrorism can be domestic, international, state-sponsored or loosely affiliated. The bottom line is “ALWAYS BE ALERT AND IF YOU SEE SOMETHING, SAY SOMETHING”.

**Local students collect items for
distribution to our troops overseas.**

By **SEAWOLF SKI**

Created 03/08/2010 - 21:17

On two separate occasions members of the Levittown American Legion Post 1711 under the direction of County Adjutant and Past Commander of Post 1711 Andy Booth, along with County Treasurer Frank Colon and Post 1711 Adjutant Frank Wicelinski visited two of Levittown's elementary schools. The students at the Lee Road school collected various clothing items packed them in back packs and the third graders at Summit Lane School collected toiletries. Through a contact of Treasurer Colon, the post was able to enlist the help of the active duty staff at the Ft. Totten Army Reserve Center to have these items shipped overseas to our deployed troops. This ongoing program was started as a result of the post's flag etiquette program where members of post 1711 visit the local schools of the Levittown and Island Trees school district and teach and quiz the students about the history of the American Flag.

CELL PHONE COLLECTION PROGRAM

REGINALD BUTT, JR. PCC

I shipped out 45 phones the first week in March and they had a value of \$44.60.y had a value of \$56.05. I am awaiting receipt of that check. I received a check for \$56.05 which I send to the County Treasurer and asked that it be divided between the Legacy Memorial Scholarship and the NEF. I went to pick up phones from the Town of Hempstead, and the collection bins are no long in place. They are still at Levittown Town I called to see up was going on but the woman in Public Affairs who I was routed to did not get back to me. The recycling company has requested that the minimum shipment be 50 cell phones. Keep collecting cell phones and bring the cell phones to the county meeting or if you have a large amount I will come to you to get them. A large amount is 25 or more, make it worthwhile for me to drive to where ever you may be. Your other option is to drop them off at my home.

SUPPORT FOR TROOPS ON ACTIVE DUTY

REGINALD BUTT, JR. PCC

Since the County Meeting in January 2010, I shipped out 51 packages. I have received several cards thanking the Nassau County American Legion for all the support. I will picked up items from St. Frances de Chanal and from some Elementary which were packed up and sent to the troops. Soime of the items went to Ken Cadieux and I will pick up items from him. We also brought T-shirts to send to the troops along with socks. The socks and T-shirts also go to the Rehab Program at Northport. If you know someone over in Iraq or Afghanistan please provide me their address. A lot of the names I noiw have are com ing home so new names would be appreciated.
